

## Call for candidacies for the election of ERC Representatives of the Full Members

Niel, 13 August 2021

Dear Full Member of the European Resuscitation Council,

I am pleased to inform you that the ERC has opened a call for candidates for Representatives of the Full Members.

*Following the Articles of Association, two (2) **representatives of the Full Members** (hereinafter "Full Member Representatives") will be elected by the Full Members. This will be organised by an online voting. The two Representatives of the Full Members are residents of different European countries; their term of office is 2 years and renewable, and will start after the General Assembly in December 2021.*

*They represent the interests of all Full Members, thereby increasing the input of this group of members within the General Assembly.*

*As a Representative of the Full Members you should be able to submit an action plan to the Board to meet these objectives in close collaboration with the other member oriented activities.*

Please be aware that it is very important that Representatives of the Full Members attend the General Assembly meetings, held twice a year, and to take responsibility for the tasks as described in the work description. The term of office of this position is 2 years and is renewable. The travel costs for the purpose of these meetings will be borne by the ERC as defined in its Travel Policy.

If you would be interested in applying for this position, we invite you to send an application to the ERC Secretariat. Please note that a candidate should be a resident of a European country as defined in the ERC statutes (list of countries in attachment).

The ERC is committed to enhancing diversity and particularly welcomes applications from groups currently underrepresented in the organisation. This will help reducing gender, professional and geographic inequalities in the composition of the decision-making structures of the ERC.

Your application should include:

- A proof of residency (copy of your identity card or passport)
- A letter outlining your motivation for applying, indicating what you could offer to the post, how you plan to represent the interest of all Full Members thereby increasing the input of this group of members within the General Assembly
- A short CV
- A Conflict of Interest declaration (use the attached form)
- A recent picture of yourself.

This dossier should be sent to [secretariat@erc.edu](mailto:secretariat@erc.edu) by midnight Brussels time **8th of September 2021** at the latest and will only be accepted when complete. The Representatives of the Full Members will be elected by the General Assembly on 9th December 2021. By applying for this position, you agree that your dossier (except ID) will be shared with the Governance Committee and General Assembly members.

Meanwhile, if you have any questions about these elections or should you wish to acquire more information we encourage you to contact the ERC Office ([secretariat@erc.edu](mailto:secretariat@erc.edu)).

With best wishes,

Prof. Dr. Koen Monsieurs  
Chair  
European Resuscitation Council
